** All activities should preferably be initiated by mentors upon discussion with their mentees. Activities may include sharing on studies and preparation for future careers, visiting relevant workplaces as well as other social and career exposure. Mentees should meet their mentors at least 4 times in the coming school year. However, either the Mock Interview or the workplace visit could be counted as one of the activities. If possible, mentors may communicate with their mentees by emails, Facebook, WhatsApp or otherwise regularly so that mutual trust could be established and mentees will also be encouraged by mentors' guidance and support. All mentees are reminded of the safety when meeting mentors. They are liable to inform the details of the meetings to parents themselves.*
