

# MENTORING PROGRAMME 2015-16

## AIM:

The 3-3-4 education reform puts more emphasis on Other Learning Experience (OLE). One constituent of OLE is Career-Related Experiences. To help our current students learn more about the working world and to help them start thinking about their goals in life, we have a Mentoring Programme open to free participation for our Form 4 to Form 6 students.

## REPORT:

In this year, Mentoring Programme ran 4 school-based events: Orientation Ceremony, Mock Interview, Workplace Visit to and Closing Ceremony.

### Orientation (19.9.2015) <http://www.mckln.edu.hk/album.php?id=136&c1id=5>

The Orientation Day was successfully held on September 19th. With the support of the Alumni Affairs Team, we have recruited 30 more new mentors this year! In addition, the number of our mentees from Form 3 to Form 6 has dramatically increased to 89.

During the one-hour chat-time, both mentors and mentees had some wonderful moments. They shared everything, including their families, hobbies, studies and dreams. Mentors shared their job fields and working experiences.

Thanks to everyone for joining our Mentoring Programme! May both our mentors and mentees have a fruitful year in our Mentoring Programme.
