Areas Outside Major Concerns:

1) Language Policy:

- English is the medium of instruction for all subjects except Chinese Language, Chinese History, Putonghua, Liberal Studies and Religious Education.
- In F.1-3, Putonghua is the teaching medium to deliver 50% of the Chinese Language lessons in one class in each form.
- All school functions are basically conducted in English, while teachers and students are encouraged to use English in informal communications but not compulsory.

2) Use of Grants:

- The Capacity Enhancement Grant (CEG) and the Enhanced Senior Secondary Curriculum Support Grant (SSCSG) will be used to employ 2 additional teachers and 3 teaching assistants to relieve the workload of all teachers (Budgeted total: $1,089,791.00)
- Part of the CEG is set aside for the Gifted Education Programme for F.1-3 (Budgeted total: $63,560)
- Balance from the CEG and SSCSG will be kept for employing additional teachers and teaching assistants in the 2012-13 year.
- The Diversity Learning Grant will be used to provide gifted education programmes to NSS students.
