**STORY STRING**

*To keep track of a series of events in a story, novel, or play, use a Story String. It helps you see a chain of events and keep the time order straight, so you can remember what caused what in the story.*

The diagram consists of six rectangular boxes, each containing four horizontal lines for writing. The boxes are numbered 1 through 6. The boxes are arranged in two columns. The left column contains boxes 1, 3, and 5 from top to bottom. The right column contains boxes 2, 4, and 6 from top to bottom. Arrows connect the boxes in a zig-zag pattern: from box 1 to box 2, from box 2 to box 3, from box 3 to box 4, from box 4 to box 5, and from box 5 to box 6.
