REPORT:

In this year, MCareers Programme ran 5 school-based events: Opening Party, Mock Interview Workshop, Mock Interview, Christmas Ball and Closing Party.

Our participants (MC 弟妹) were paired up and had a basic ballroom dance lesson before the Christmas Ball, during which MC 弟妹 learnt about the style of ballroom dancing and enhanced their social skills.

Alumni (MCoach) and their MC 弟妹 had a wonderful, interactive experience during the Christmas Ball. They shared hobbies, studies, dreams, life and work experiences…… What a fruitful gathering!

Careers Team MCareers Programme: Mock Interview

The MCareers Programme – Mock Interview was successfully held on March 10, 2018.

Interview performance plays an important role in university admission. Our mock interview aimed to enhance students' interview skills. All of our interviewers were familiar with the requirements for university admission or the recruitment of employees. Undoubtedly, this was a valuable and inspiring event, to help our students get a clearer understanding of the university admission interview and be better prepared for their future interviews. Interviewers not only provided very constructive feedback, they also shared personal experiences with our students.

Thanks to the interviewers for supporting this meaningful and rewarding mock interview.
