| | | |
|----|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 11 | March ~ April, 2010 | Mentor-mentee interaction – educational/social/career exposure activities (4 th Time) [All activities are initiated by mentors.] |
| 12 | May ~ June, 2010 | Mentor-mentee interaction – educational/social/career exposure activities (5 th Time) [All activities are initiated by mentors.] |
| 13 | July - August, 2010 | Mentor-mentee interaction – work-related experience (6 th & 7 th Times) [It is suggested mentors can help their mentees to make the best use of the summer holiday by offering work-based learning opportunities. Students can get exposure to actual workplaces and experience authentic work/social scenarios. If possible, mentees can work as short-term part-time or full-time staff at a workplace arranged by their mentors.] |
| 14 | October 2009 - August 2010 | Careers/Occupational/Personal Enrichment Visits to public or private entities will be arranged (2-3 times, organized by Mr. David Chan & MC's Careers Team) |
| 15 | September 2010 | Sharing and evaluation meeting * & Introduction to the next mentoring program [We highly recommend parents to join in so as to let them know how their children benefit from the mentoring program.] |
| 16 | July 09 to Aug 10 | Inviting alumni and Church members to be mentors |
| | | (* Parent participation should be encouraged.) |
