MC Dream Starter Photobook Sale

The CLP Event (Internal) – Alumna Returns to Methodist College for Fundraising Event in Support of MC DreamStarter on 4th November 2023.

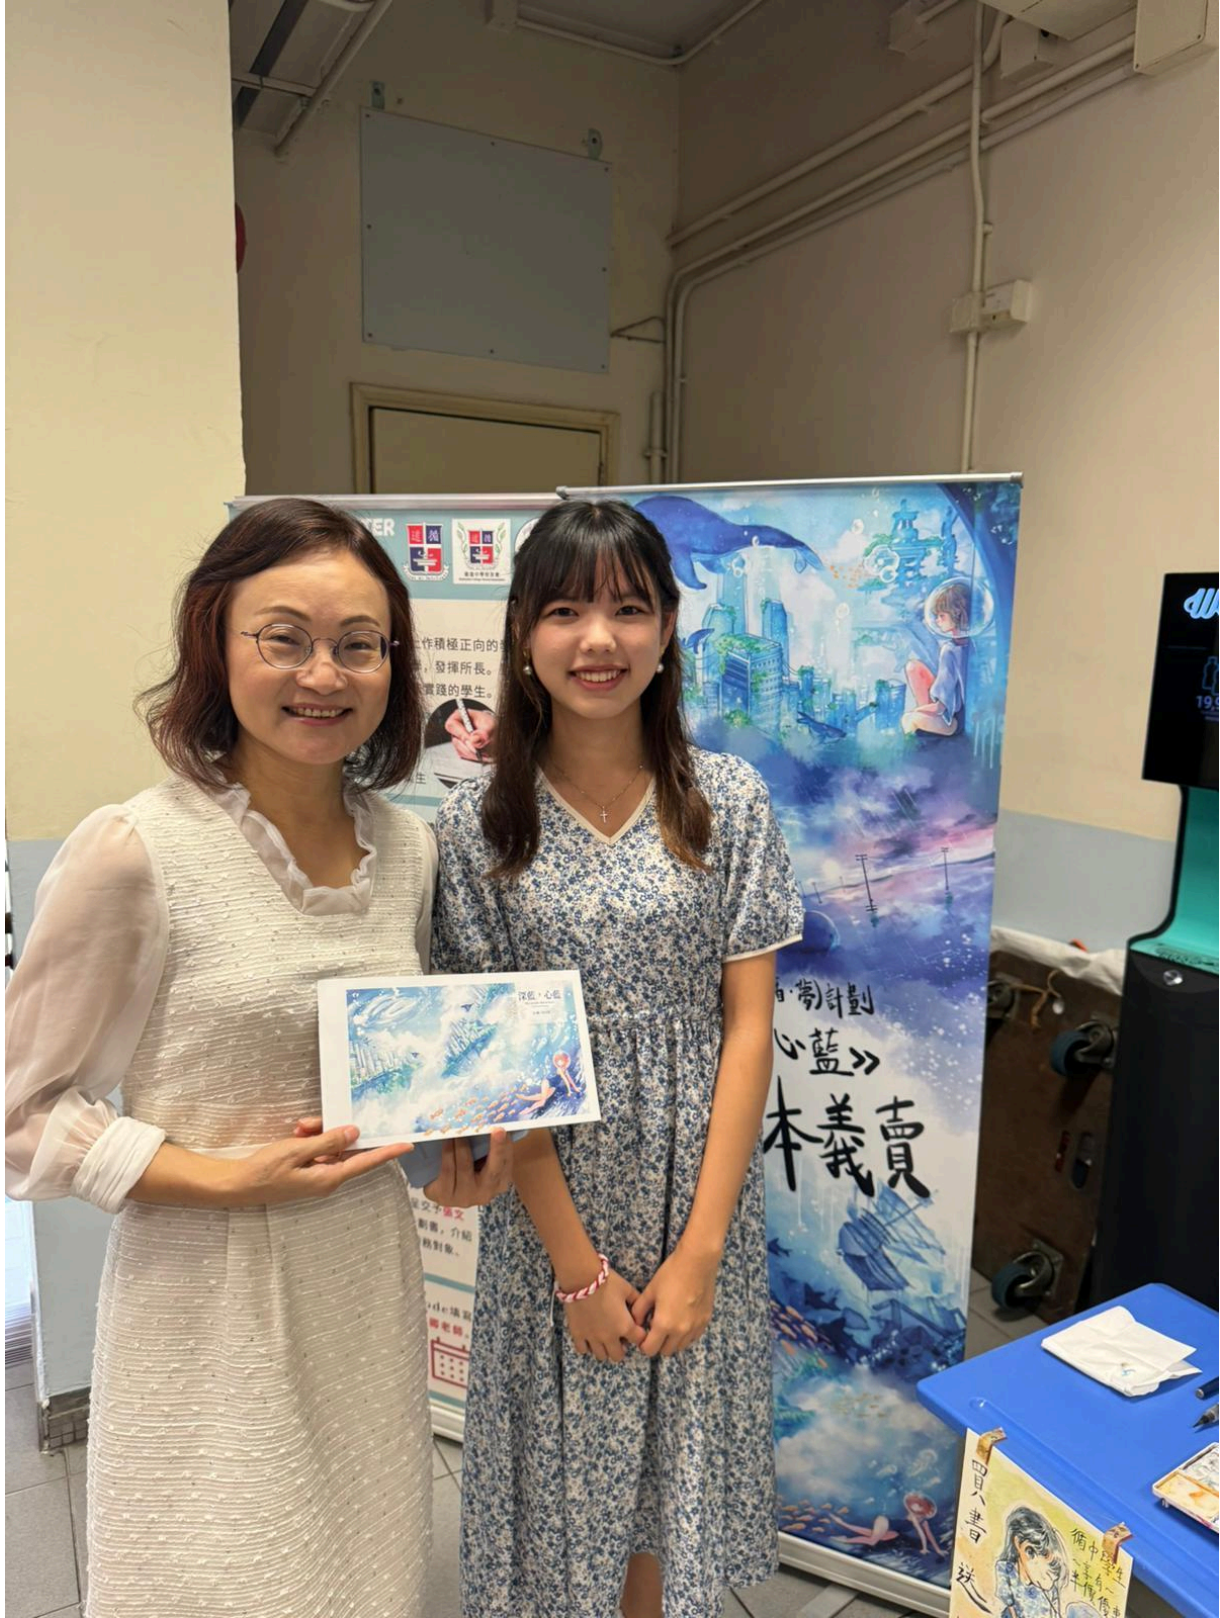

About:

Methodist College was filled with excitement and pride as Alumna Clearance Ng, a former student of the institution, returned to her alma mater for a special fundraising event. The event aimed to support MC DreamStarter, an initiative that encourages positive development, growth, and self-realization among students, both current and alumni, who are pursuing further studies instead of entering the workforce.

Clearance Ng had been selected as a recipient of the MC DreamStarter fund during the 2022-2023 academic year. To express her gratitude and give back to the school, she decided to organize a fundraising event. The highlight of the event was the launch of her picture book titled "Deep Blue, Heart Blue." The fundraising event proved to be a tremendous success, with 63 copies of "Deep Blue, Heart Blue" sold. The proceeds from the book sales, totaling HK\$5150, were generously donated to MC DreamStarter.

The CLP Event (Internal) – S.5 Mock DSE Release Day was successfully held on 25th June 2024.

About:

The event started with an introduction that emphasized the importance of being well-prepared and offering guidance on how to approach the various tasks. One of the key activities of the event was the organization of mock interviews for JUPAS, ASSO, and overseas study options. These interviews were designed to help students develop their interviewing skills, gain confidence, and better understand what to expect in an actual interview situation. Another important activity was the mock DSE result release, which simulated the actual release of results and provided students with the opportunity to experience the emotions and stress that come with such an event. The event also included a consultation session where students could seek advice and guidance from experienced professionals on various academic and career-related issues. Overall, the S5 Mock Result Release Workshop was a valuable experience for students, providing them with practical support and guidance to help them succeed in their academic pursuits.
