CLP EVENTS (MCareers Programme) 2025-2026

AIM:

The MCareers Programme is designed to provide students from all forms with valuable Career-Related Experiences, a key component of Other Learning Experiences (OLE). By organizing a diverse range of activities, we aim to help our students, from junior to senior forms, learn more about the working world, explore their interests, and begin contemplating their life and career goals at an early stage.

REPORT:

Core Career-Related Activities:
To achieve this, we run numerous internal and external events throughout the year. Below are some highlights of our core career exploration activities:

CLP Events (MCareers)	**Date**
S.2-3 HKTDC Education & Careers Expo	2026/01/23

S3 Job Exploration

The CLP Event (Internal) – S3 Job Exploration was successfully held on 20th January 2026.

About:

The main purpose of this activity was to help Form 3 students to understand and experience future career choices before selecting their elective courses in high school, thereby helping them to plan and prepare more realistically for their future. Practical insight was gained through hands-on activities related to future careers.

S.4-5 Careers Trip

The CLP Event (External) – S.4-5 Careers Trip to Huizhou and Dongguan was successfully held from 29th June to 1st July 2026.

About:

A wide range of organisations visits were included in the trip providing students a clearer vision of current development of various fields in Mainland. Students were able to explore their field of interest for future career development, including entrepreneurship, technology development, food industry, and trendy IP production. Students were able to gain knowledge of the field development and also the process of production, which help provided a more concrete idea of operation in industries.

S.5 CLP Workshop: Mock DSE Release Day

The CLP Event (Internal) – S.5 Mock DSE Release Day was successfully held on 24th June 2026.

About:

This session walked through significant moments with students when they need to face the stress and emotions during DSE release. Guidance was provided during each step on pursuing further studies so that students will gain confidence to handle it better. Mock interviews are also provided to practice with students for better performance in future opportunities. A debriefing session is also held in groups for students to share their thoughts on the event and their goals.
