Dear Methodist College Family,

I am deeply honored and excited to accept the role of Principal at Methodist College, a place that has shaped my own journey. Words can hardly express my gratitude for this opportunity to serve our vibrant community.

First and foremost, I would like to extend my heartfelt appreciation to Ms. WONG Pui Yi, Emily for her remarkable leadership over the past 17 years. Her unwavering commitment, compassion, and vision have profoundly impacted our school, and I wish her all the best in this new chapter of her life.

Having spent more than two decades at Methodist College, starting as a fresh teacher, I have grown alongside our students and witnessed the transformative power of education. My experiences here have equipped me with valuable insights that I will carry into this new role.

As I step into this position, I pledge to uphold our core values: to nurture modest, caring, and knowledgeable leaders of the new era. Guided by our motto, "Believe in order to know," I aim to support our students in both their academic pursuits and personal growth, fostering a spirit of service and humility under the biblical doctrine.

Let us unite—members of the sponsoring body, the Methodist Church, our dedicated staff, alumni, parents, and students—to strengthen our community with God's trust, love, and faith. Together, we will embark on a new chapter in our mission of providing excellent Christian education and preparing our students to shine in their potential for the 21st century.

Thank you for your support as we move forward together.

Sincerely,

Dr. YICK Doi Pei, Dorothy
