

Rundown of the interview

Please read the rundown before coming

(A) Reporting

- Please arrive at or before (no more than 15 minutes) the reporting time. Due to the large number of applicants, candidates arriving too early may have to wait outside the school campus.
- We will receive candidates of the current session first.
- Candidates of the subsequent session have to wait until the end of the current session.
- Candidates have to present the interview letter upon arrival. They have to follow the signs (same colour as the interview letter) and go to the respective Reporting Room.
- The number at the end of the Interview Number is the seat number in the designated Reporting Room. (e.g. An interview number 3B10 means that the seat number is 10 in Reporting Room B.)
- After entering the Reporting Room, please sit according to your seat number.
- Please display your interview letter and your student card or handbook (with your recent photo) on the desk.
- Please bring along a book for reading while waiting for your turn.

(B) Interview

The interview will take about 10 minutes. It is divided into three parts in three classrooms.

Part 1: English Conversation

Part 2: Situational Topic

Part 3: Mathematics & Science

- Before each interview, clearly tell the examiner your name.
- After finishing one part, move on for the next part in the next interview room.
- You may have to wait for a short while outside the next interview room.

After you have finished the last part, please follow the "Exit" signs and leave the school campus quietly.
